INTRODUCTION

Self-Determination Housing of Pennsylvania (SDHP) is a state-wide organization with more than 24 years of experience, leading an array of accessible housing initiatives in the Commonwealth of Pennsylvania. Since its creation in 1994, SDHP has continuously been motivated by our mission to promote self-determination in housing for low-income individuals with disabilities and older adults.

SDHP works towards these goals in a number of ways, by:

1. Bridging the information gap between the housing and disability/older adult communities
2. Promoting partnerships that enable people with disabilities/older adults to choose and control their housing
3. Increasing access to affordable, accessible, and integrated housing

SDHP collected these resources with the following three priorities in mind:

1. Housing
2. Disability Services
3. Other Community Resources/Supports

We hope that you find this information useful as you continue to serve and advocate for your clients.
